

CURRICULUM VITAE

NAME: M. DOUGLAS GOSSMAN, M.D.

PRE-MEDICAL EDUCATION:

The Ohio State University
Columbus, Ohio
Bachelor of Arts (History), 1972

MEDICAL EDUCATION:

The State University of New York at Buffalo, NY
School of Medicine
Doctor of Medicine, 1976

POST-GRADUATE MEDICAL EDUCATION:

Millard Fillmore Hospital
(S.U.N.Y. at Buffalo)
Internship in Surgery
April 1976 to December 1976

Millard Fillmore Hospital/The Dent Neurologic Institute
Buffalo, New York
Fellow in Neurology
January 1977 to June 1977

Case-Western Reserve University School of Medicine
University Hospitals of Cleveland, Ohio
Resident in Neurosurgery
July 1977 to June 1978

The Cleveland Clinic Foundation
Cleveland, Ohio
Resident in Ophthalmology
July 1978 to June 1981

Emory University School of Medicine
Atlanta, Georgia
Fellow in Ophthalmic Plastic Surgery
July 1984 to June 1985

RESEARCH EXPERIENCE:

Co-Principal Investigator, with Daniel McDonnall, PhD, Salt Lake City, Utah, Division of Plastic Surgery, University of Louisville, Eye Blink Neuroprosthesis, National Institute of Health, May 2006.

Co-Principal Investigator, Division of Plastic Surgery Research and Department of Ophthalmology, University of Louisville, Project: Restoration of Eyelid Function Using End-to-Side Nerve Grafts, Michael Sundine, M.D., University of Louisville, funded by Jewish Hospital, June 1998-2000.

Principal Investigator, Eyelid Blink Study Group, Naveen Somia, Ph.D., M.D., Michael Sundine, M.D., John H. Barker, Ph.D., M.D., University of Louisville, Plastic Surgery Research, funded by Jewish Hospital HealthCare Services Research Foundation, June 1995 to June 1998.

Co-Principal Investigator, Department of Ophthalmology, University of Louisville. Project: Traumatic Optic Nerve Treatment Trial, 1994 to 1997.

Principal Investigator, Department of Ophthalmology, University of Louisville. Project: Experimental Comparison of Laser and Cryosurgical Cilia Destruction. Funding source: University of Louisville Medical School Research Committee and Research to Prevent Blindness, July 1989 to June 1990.

Co-Principal Investigator, Department of Ophthalmology, University of Louisville, and Division of Neuroscience, Mercer University (Co-investigator, Charles Hockman Ph.D.). Project: Reinnervation of Orbicularis Oculi Muscle Group. Funding source: National Eye Institute, July 1987 to June 1988.

Principal Investigator, Department of Ophthalmology, Cleveland Clinic Foundation. Project: The Neuromuscular Pedicle Technique Applied to the Reinnervation of Selected Paralytic Extraocular Muscles, 1980 to 1981.

Research Assistant, Department of Physiology, S.U.N.Y. at Buffalo, School of Medicine. Peter Field, M.D., Principal Investigator. Project: Aortic Reactivity in Hypertensive Rats, 1973 to 1974.

Principal Investigator and United Way Fellow, Department of Pathology, S.U.N.Y. at Buffalo School of Medicine. Project: Studies on the Pathogenesis of Renal Encapsulation Hypertension, 1974 to 1975.

PROFESSIONAL POSITIONS:

Clinical Professor of Ophthalmology, University of Louisville School of Medicine, Louisville, Kentucky, 2004.

Clinical Instructor in Surgery, Division of Plastic Surgery, University of Louisville School of Medicine, Louisville, Kentucky, 2006 to present.

Associate Professor of Ophthalmology and Director of Oculoplastic and Orbital Surgery Service, University of Louisville School of Medicine, Louisville, Kentucky, July 1991 to 2003.

Assistant Professor of Ophthalmology and Director of Oculoplastic and Orbital Surgery Service, University of Louisville School of Medicine, Louisville, Kentucky, August 1986 to June 1991.

Oculoplastic Surgeon, Central Georgia Eye Center, Macon, Georgia, July 1985 to July 1986.

Research Assistant Professor of Neuroscience, Mercer University School of Medicine, Macon, Georgia, September 1985 to July 1986.

Chief, Ophthalmology Service, Ireland Army Community Hospital, Fort Knox, Kentucky, April 1983 to July 1984.

SPECIAL AWARDS:

Heed Ophthalmic Foundation Fellow, 1984-1985.

Teaching Award, University of Louisville, Department of Ophthalmology, 1991, 1999.

Teaching Award, University of Louisville, Division of Plastic Surgery, 1996, 1997, 1998.

BOARD CERTIFICATION:

American Board of Ophthalmology, 1982.

SUBSPECIALTY:

American Society of Ophthalmic Plastic and Reconstructive Surgery, 1987.

AMERICAN BOARD OF OPHTHALMOLOGY:

Associate Examiner, July 1990 to 2016.

MISCELLANEOUS CERTIFICATIONS:

State of Medical Licensure: Kentucky.

ASSOCIATIONS:

American Academy of Ophthalmology
American Medical Association
American Society of Ophthalmic Plastic and Reconstructive Surgery
Jefferson County Medical Society
Kentucky Academy of Eye Physicians and Surgeons
Kentucky Medical Association

SERVICE ACTIVITIES:

Annual Meeting Program Committee, Subcommittee Chair, Oculoplastic Surgery,
American Academy of Ophthalmology, 2002-2005.
Instructional Advisory Committee, American Academy of Ophthalmology, 1998-2001.
President, Kentucky Academy of Eye Physicians and Surgeons, 2000-2002.
President Elect, Kentucky Academy of Eye Physicians and Surgeons, 1998-2000.
Secretary/ Treasurer, Kentucky Academy of Eye Physicians and Surgeons,
August 1996 to June 1998.
Secretariat for State Affairs, American Academy of Ophthalmology, November 1996-
2001.
Kentucky Chairman, Fund Raising Campaign, Bruce Spivey, Educational Trust of the
American Academy of Ophthalmology, 1995 to 1997.
Finance Committee for Accreditation, University of Louisville School of Medicine, 1990.

OTHER ACTIVITIES:

President, Eye Care Providers of Kentucky, Inc., December 1999 to 2004.
Board of Directors, University of Louisville Medical School Practice Association Management Services Organization, 1997 to 2000.
Chair, Utilization Management/Quality Improvement Program, Eye Care Providers of Kentucky, 1997 to 1999.
Vice Chairman, Management Services Organization (MSO) Task Force Committee, University of Louisville, 1997 to 1999.
Chairman, Single Point Contracting Work Group, University of Louisville Medical School Practice Committee, 1996.
Chairman, Kentucky Health Policy Board, Eye Practice Parameter Committee, 1995.
Founding Member, Eye Care Providers of Kentucky; Single Specialty IPA, 1995. (State Wide Eye Care Managed Care Organization).
Board of Directors, Eye Care Providers of Kentucky, November 1995 to 2004.
Federal Economic Policy Committee Liaison, American Academy of Ophthalmology, 1993 to 1998.
Chairman, Third Party Relations Committee, American Academy of Ophthalmology, 1993 to 1998.
Co-Chair, Ad Hoc Managed Care Committee, American Society of Ophthalmic Plastic and Reconstructive Surgery, 1993 to 1996.
Chairman, Third Party/Managed Care Committee, Kentucky Academy of Eye Physicians and Surgeons, 1990 to 1996.

12. Management of Orbital Blow-out Fractures. Facial Fracture Symposium. Dallas, Texas, September 15-17, 1989.
13. Carbon Dioxide Laser Combined With Conventional Microsurgery In The Treatment of Distichiasis. American Society of Ophthalmic Plastic and Reconstructive Surgeons. New Orleans, Louisiana, October 28, 1989.
14. Argon Laser Treatment of Trichiasis. Townes Seminar, Louisville, Kentucky, March 14, 1990.
15. Current Management of Traumatic Optic Neuropathy: A Prospective Comparison of High Dose Steroids and Surgery. Fourth Semi-annual Multispecialty Plastic Surgery Symposium, Lexington, Kentucky, September 28-29, 1990.
16. Management of Trichiasis. Indianapolis Ophthalmology Society. Indianapolis, Indiana, January 22, 1992.
17. Enucleation Technique and Implant Choice. Visiting Professor, Indiana University, Department of Ophthalmology. Indianapolis, Indiana, January 22, 1992.
18. Upper Eyelid Reconstruction. Visiting Professor, Cleveland Clinic Foundation, Department of Ophthalmology. Cleveland, Ohio, February 22, 1992.
19. Laser Treatment of Trichiasis. Visiting Professor, Cleveland Clinic Foundation, Department of Ophthalmology. Cleveland, Ohio, February 22, 1992.
20. Techniques in Lower Eyelid Blepharoplasty. Cleveland Clinic Foundation, Department of Ophthalmology. Cleveland, Ohio, February 22, 1992.
21. Finesse in Upper Lid Blepharoplasty. Cleveland Clinic Foundation, Department of Ophthalmology. Cleveland, Ohio, February 22, 1992.
22. Extensible Orbital Exposure. Tri-State Craniofacial Conference. Indianapolis, Indiana, September 10, 1993.
23. Punctal Eversion and Repair. Sixth Bi-annual Multispecialty Oculoplastic Surgery. Lexington, Kentucky, September 25-26, 1993.
24. The Clino-Nasal Line: A Reproducible Guide for Optic Canal Imaging. Extracranial Optic Nerve Decompression Symposium. Boston, Massachusetts, November 6-7, 1993.
25. Steroid Efficacy in Traumatic Optic Neuropathy: A Pilot Study. Extracranial Optic Nerve Decompression Symposium. Boston, Massachusetts, November 6-7, 1993.

26. Myectomy, Tarsal Tightening & Canthal Reconstruction in Primary and Recurrent Involutional Entropion Repair. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting. Chicago, Illinois, November 13, 1993.
27. Canthofornix Exposure: Tips & Tricks in the Execution of Lower Eyelid Bypass. Tri-State Craniofacial Conference. Lexington, Kentucky, September 9, 1994.
28. Lower Eyelid Ectropion: The Clinical Spectrum and Basic Repair. Multispecialty Oculoplastic Symposium. Lexington, Kentucky, September 16-17, 1994.
29. Necrobiotic Xanthogranuloma Affecting the Extraocular Muscles. Donovan, K.O., Gossman, M.D., Zax, R.H.: Southern Medical Assoc. 88th Annual Scientific Assembly, Section on Dermatology. Orlando, Florida, November 3-6, 1994.
30. Evaluation and Management of Primary Orbital Tumors: Tumor Conference. James Graham Brown Cancer Center, Louisville, Kentucky, March 1, 1995.
31. Adnexal Diseases and Preventive Ophthalmology: Seventeenth Family Medicine Review and ACLS. Jewish Hospital, Louisville, Kentucky, April 5, 1995.
32. The Incomplete Blepharoplasty. University of Louisville, Dept. of Otolaryngology, April 1, 1996.
33. Diagnosis and Management of Orbital Apex Tumors. Kentucky Optometric Association, Spring 1996 Kentucky Optometric Association Congress, April 26, 1996.
34. Kinematics of the Human Eyelid. Somia, N., Rash, G.S., Sundine, M.J., Gossman, M.D., Barker, J.H.: American Society of Biomechanics Meeting, Atlanta, GA, October 1996.
35. Eyelid Reconstruction. Plastic Surgery Grand Rounds, University of Louisville, December 13, 1996.
36. Periorbital Reconstruction. Plastic Surgery Grand Rounds, University of Louisville, January 31, 1997.
37. Eyelid Motion Analysis. An objective method to quantify eyelid motion. Somia, N., Rash, G.S., Sundine, M.J., Gossman, M.D., Barker, J.H.: 43rd Annual Plastic Surgery Research Council Meeting, Galveston, TX, February 1997.
38. The Role of Eyelid Motion Analysis in the Management of Facial Paralysis. Somia, N., Rash, G.S., Sundine, M.J., Gossman, M.D., Barker, J.H.: 43rd Annual Plastic Surgery Research Council Meeting, Galveston, TX, February 1997.

39. Reliability and Repeatability of Eyelid Motion Analysis. Somia, N., Rash, G.S., Sundine, M.J., Gossman, M.D., Barker, J.H.: 43rd Annual Plastic Surgery Research Council Meeting, Galveston, TX, February 1997.
40. Blepharoplasty Candidate Profiles. C. Dwight Townes Seminar. Louisville, Kentucky, March 15, 1997.
41. Blepharoplasty Complications. C. Dwight Townes Seminar, Louisville, Kentucky, March 15, 1997.
42. Autoimmune Orbitopathy. University of Louisville School of Medicine, June 25, 1997.
43. Multichannel Electrical Stimulation of the Paralyzed Eyelid: A method to restore the eyeblink. Somia, N., Zonnevjlle, E.D., Stremel, R.W., Sundine, M.J., Gossman, M.D., Barker, J.H.: American Society of Peripheral Nerve, Williamsburg, VA, June 1997.
44. Eyelid Trauma. Plastic Surgery Grand Rounds, University of Louisville, July 25, 1997.
45. Eyelid Motion Analysis: An innovative method to quantify synchronous eyelid motion. Somia, N., Rash, G.S., Sundine, M.J., Gossman, M.D., Barker, J.H.: 83rd Annual Congress of the American College of Surgeons. Chicago, IL, October 1997.
46. Differential Diagnosis of Periorbital Skin Lesions. University of Louisville School of Medicine, June 5, 1998.
47. Common Eye Lid, Lacrimal, and Orbital Diseases. University of Louisville School of Medicine, June 25, 1998.
48. Orbital Imaging. University of Louisville School of Medicine, July 2, 1998.
49. Management of Acute Eyelid Trauma. Plastic Surgery Grand Rounds. University of Louisville, July 17, 1998.
50. Autoimmune Orbitopathy. National Graves' Disease Foundation Conference. Louisville, Kentucky, August 1, 1998.
51. Orbital Expansion in Microphthalmia. Tri-State Craniofacial Conference. Louisville, Kentucky, August 28, 1998.
52. The Transconjunctival Midface Lift. The Aesthetic Society of the American Plastic: Reconstructive Surgery, October 2000, Los Angeles, California.
53. Treatment of Microphthalmia. Kentucky Academy of Eye Physicians and Surgeons, KMA, Louisville, Kentucky, September 11, 2001.

54. Blepharoplasty. Grand Round. Division of Plastic Surgery. March 27, 2002.
55. Midface Rejuvenation: Botox and Midface Lift. Indianapolis Society of Ophthalmology, September 10, 2002.
56. Midface Lift/Blepharoplasty, Advancement in Aesthetic and Plastic Surgery, Plastic Surgery Nursing Meeting, Jewish Hospital, September 30, 2002.
57. Cosmetic and Functional Application of Botox, Plastic Surgery Grand Rounds, October 16, 2002.
58. Expansion of the Human Microphthalmic Orbit, American Society of Ocularists, Anaheim, CA, November 17, 2003.
59. Surgical Facial Rejuvenation, Department of Dermatology Grand Rounds, June 11, 2004.
60. Treatment of Canalicular Lacerations, Plastic Surgery Grand Rounds. University of Louisville, October 13, 2004.
61. Eyelid Malposition: Causes and Complications, Plastic Surgery Grand Rounds. University of Louisville, January 12, 2005.
62. Orbital Fracture Syndromes, Part A, Plastic Surgery Grand Rounds. University of Louisville, February, 12, 2005.
63. Orbital Fracture Syndromes, Part B, Plastic Surgery Grand Rounds. University of Louisville, March 4, 2005.
64. Orbital Fractures: A Classification & Compartmentalization of Injury, AO Visiting Professorship and Seminar, Chandler Medical Center, University of Kentucky, Lexington, KY, March 19, 2005.
65. Thyroid Orbithopathy "Simplified" Department of Endocrinology Seminar, University of Louisville School of Medicine, November 9, 2005.
66. Functional Considerations in Periorbital Composite Allograft, International Symposium on Composite Tissue Allotransplantation, Tuscon, Arizona, January 17-18, 2006.
67. Visiting Professor, Department of Otolaryngology, Chandler Medical Center, University of Kentucky, Lexington, KY, October, 27-28 2006.
67. Periorbital CTA Functional Considerations and Potential Indications, Hand and Microsurgery, Puerto Rico, January 15-18, 2007

68. Eyelid Reconstruction, Plastic Surgery Grand Rounds. University of Louisville, March 11, 2009.
69. Basic Management of Eyelid Trauma, Plastic Surgery Grand Rounds. University of Louisville, October 7, 2009
